Thinking of becoming an OSHA 500 Trainer for the Construction Industry?

Do you have five years construction industry experience? Attend the **April 18-21, August 15-18, November 7-10** or **January 9-12** [OSHA 510 OS&H Standards for the Construction Industry](#) AND the **May 2-5, September 12-15** or **February 13-16** [OSHA 500 Basic Instructor Course in OS&H Standards for the Construction Industry](#). Successful completion of the OSHA 510 is a pre-requisite for the OSHA 500. Call for details!

Want to become an OSHA 501 Trainer for General Industry?

Do you have five years general industry experience? Attend the **May 9-12, October 17-20, December 5-8** or **February 6-9** [OSHA 511 OS&H Standards for General Industry](#) and the **June 5-8** or **March 6-9** [OSHA 501 Trainer Course in OS&H Standards for General Industry](#). Call for details!

Are you already an OSHA 500 or 501 Trainer?

Then you know the OSHA Training Institute requires all outreach trainers to attend an update course at least once every four years to maintain their trainer status. If your trainer status lapses more than six months beyond your expiration date you will be required to retake the four-day OSHA 500 or 501 course. Keep your outreach trainer status current!

For current OSHA 500 trainers: Attend the **April 25-27** or **November 14-16** [OSHA 502 Update for Construction Industry Outreach Trainers](#)
For current OSHA 501 trainers: Attend the **October 10-12** [OSHA 503 Update for General Industry Outreach Trainers](#)

New to Safety? Need an overview of General Industry and/or Construction standards?
