First Aid/CPR/AED - The Best Training at the Best Price

Training your employees for an emergency isn't a luxury, it's a requirement - and our proven, flexible First Aid/CPR/AED training gives you options to meet your internal needs, budget and schedule.

We provide employee training at your location, or through our monthly [First Aid/CPR/AED course](#) in Saint Paul. Do you want to become a first aid trainer? Check out our flexible training options to find one that fits your organization the best:

First Aid/CPR/AED Course

Member: full-day, 1-8 attendees \$540 / additional attendees \$45; half-day* \$450 / \$45

Nonmember: full-day, 1-8 attendees \$690 / additional attendees \$60; half-day \$650 / \$60

(*half-day pricing also applies to half-day CPR/AED-only course)

"Hands-Only" CPR

Member: 1-8 attendees \$200 / additional attendees \$15

Nonmember: 1-8 attendees \$250 / additional attendees \$20

Instructor Training

You or designated employees can become authorized instructors and train others on your own schedule.

Member: \$350

Nonmember: \$450

Next course: [September 6-7](#) / Minnesota Safety Council

Our training instills the confidence to respond effectively to emergencies at work, at home and in the community - saving time, treating injuries and possibly saving a life. If you have questions or would like to schedule training, contact AI at 651-228-7315/800-444-9150 or al.terwedo@minnesotasafetycouncil.org.
