## Come Join Us!

*Not offered again until December 2017!*

### **Safety Management Techniques May 22-25**

Do you have a good background in accident prevention? Do you want to improve your management skills? The [Safety Management Techniques](#) course will equip you with skills in communication and management functions.

### **Safety Training Methods June 20-23**

Are you responsible for training employees? Then [Safety Training Methods](#) is for you! Based on current instructional design, performance technology, and adult learning principles, it will give you the knowledge and skills required to plan, organize, create and deliver effective training programs.

***Both courses are part of the [Advanced Safety Certificate Series](#).***

Cindy Braun from Braun Safety Associates, Denver, Colorado and Jan Fedora from the Minnesota Safety Council are the lead instructors. Cindy and Jan are highly energetic, enthusiastic and have lots of practical experience. Over 843 students trained in Minnesota.

## Train-the-Trainer PLUS Tuesdays

**Attention trainers - clear your Tuesdays this summer!** Train-the-Trainer PLUS workshops are everything you love about Train-the-Trainer classes, and then some. Get yourself trained as a trainer AND get a DVD program to train your employees - ***all for just the cost of the DVD!*** Sign up for one of our upcoming workshops and see how easy change can be.

June 6 - [Aerial Lift](#)

June 20 - [Lockout/Tagout](#)

June 27 - [Bloodborne Pathogens](#)
