

"LEARN TO SAVE A LIFE, AT WORK AND AT HOME"

FIRST AID / CPR / AED TRAINING WITH MSC

HANDS-ON TRAINING AT THE MINNESOTA SAFETY COUNCIL

*Full-day class: Includes training materials,
refreshments and lunch.*

MSC Member • \$145

Non-Member • \$190

Learn the skills necessary to help a person in need until medical personnel arrive. The NSC First Aid/CPR/AED curriculum is up to date with the most current training standards including severe bleed procedures, CPR/AED applications and the use of Naloxone (NARCAN) for the emergency treatment of opioid overdose.

This course meets OSHA training recommendations. Upon course completion, you will receive the National Safety Council First Aid and CPR/AED 2 year certification.

FIRST AID / CPR / AED TRAINING FOR YOUR BUSINESS

Full-day and half-day classes include training materials.

- Full-day class – First Aid & CPR/AED Class with 2 Year Certification
- Half-day class – First Aid Class OR CPR/AED Class with 2 Year Certification
- Two-hour class – Hands-only CPR and AED Use Class

On-site training is available at your location or you can use the Minnesota Safety Council.

You name the time and place and we will bring our instructor to you!

INSTRUCTOR DEVELOPMENT TRAINING AT THE MINNESOTA SAFETY COUNCIL

*Two-day class: Includes training materials,
refreshments and lunch.*

MSC Member • \$500

Non-Member • \$610

Learn how to become a First Aid/CPR/AED Instructor for your company! This two-day instructor development course is designed to prepare you to teach First Aid/CPR/AED using the latest methods and materials from the NSC First Aid Program.

This course is perfect for organizations who regularly train people in First Aid/CPR/AED, offering the most current and effective training program available.

The OSHA Certified Bloodborne/Airborne Pathogens Training can be added to any full-day or half-day class at an additional rate. This training is about 90 minutes long. Ask for details.
