SAFETY COUNCIL**

WHY CHOOSE US?

Since 1928 the Minnesota Safety Council has worked to make the state a safer and healthier place to live by helping prevent unintentional injuries at home, on the road, at work and at play.

Being an established, trusted resource for safety information, education and training is made possible by over **3,700** Minnesota workplaces joining the MSC membership.

" The training videos are awesome... and have changed my life! Not only the videos, but the study guides and test materials, and of course the logged data. These training courses, alone, are worth every penny of our annual membership fee. "

- MSC works with several dozen industry-specific workplace safety instructors, plus a statewide network of first aid and defensive driving instructors
- Our in-house team's experience consists of a variety of skills and expertise, bringing you the latest and greatest in safety and health
- In-classroom, in-the-field and virtual training options
- Over 100 different programs to help further your safety education and sharpen your leadership skills:
 - Occupational Safety and Health
 - First Aid/CPR/AED and Mental Health
 - Traffic Safety
 - Community Safety
