Training for Emergencies: Be Prepared

Training your employees for an emergency isn't a luxury, it's a requirement - and our proven, flexible [First Aid/CPR/AED training](#) gives you options to meet your internal needs, budget and schedule:

- We can provide employee training [at your location](#) or through [our monthly "hands-on" course](#) in Saint Paul.
- Want to develop in-house trainers? You or designated employees can become authorized instructors and train on your own schedule. **Next [Instructor Training course](#): September 12-13, 2018.**

Learning to respond effectively reduces lost time, increases productivity and improves morale. Our training instills the confidence to respond to emergencies at work, as well as at home and in the community. Learn more about our [First Aid/CPR/AED training options](#).

Book early to get the dates that work best for you.
