Visit our [training portal](#), or contact Steve with any questions at 651-228-7326 or steve.rauh@minnesotasafetycouncil.org.

Be Prepared If the Unthinkable Happens at Your Workplace

Training your employees for an emergency isn't a luxury, it's a requirement - and our proven, flexible First Aid/CPR/AED training gives you options to meet your internal needs, budget and schedule:

- We can provide employee training at your location or through our monthly "hands-on" course in Saint Paul.
- Want to develop in-house trainers? You or designated employees can become authorized instructors and train on your own schedule. Next [Instructor Training](#) course: September 12-13.

We have a few spots open for our May 31 "hands-on" class at the Minnesota Safety Council - [enroll now!](#)

Learning to respond effectively reduces lost time, increases productivity and improves morale. Our training instills the confidence to respond to emergencies at work, as well as at home and in the

community. Learn more about our [First Aid/CPR/AED training options](#).

For questions on classes, AEDs and AED accessories or to schedule training, contact Al at al.terwedo@minnesotasafetycouncil.org; 651-228-7315/800-444-9150.
