## Customized On-site Training

***You're busy enough. Let us do your training for you!*** You can save time and money by scheduling an on-site training class. All of our courses can be customized for your company. In addition we conduct safety audits, write safety policies, provide ergonomic workstation evaluations, and training in emergency response, commercial vehicle and first aid/CPR. *Need a 10- or 30-hour course? We can help with that too!*

Let us know your training needs and we will work with you to create a training plan to help accomplish your goals and meet your 2018 initiatives. For more information, contact Steve at 651-228-7326 or [steve.rauh@minnesotasafetycouncil.org](mailto:steve.rauh@minnesotasafetycouncil.org).
