LAST CHANCE! - Effective Safety Committees

Does your safety committee need work? Is it underutilized? Is it hard to recruit and keep members active? Bring your whole committee to this full-day training and see what you're missing!

[Safety Committees](#)

October 15

Members: \$275/\$245 | Nonmembers: \$325

JUST ADDED! - Confined Space Entry

After our last class in September, we had several members contact us to see if we had another date this fall. We didn't at the time, but we do now! If you're responsible for confined space entry at your facility, this is the class for you!

[Confined Space Entry](#)

November 20

Members: \$275/\$245 | Nonmembers: \$325

Safety Management Techniques

Lead like a safety champion! Join us later this month for one of the gems of the Advanced Safety Certificate program from National Safety Council. Discuss best practices in safety leadership and learn effective strategies through in-class activities. This four-day course is an investment that pays for itself quickly!

[Safety Management Techniques](#)

October 30 - November 2

Members: \$1,550 | Nonmembers: \$1,650

National Safety Education Center Courses

Want to be a 10- and 30-hour trainer for your organization? These are the required classes that you'll need on your journey to safety excellence!
