October 2017-June 2018 Course Schedule Available Online!

We know many of you are planning your 2018 budgets. Take a moment to check out our many training options! From on-line training to breakfast session to half-, full- and multiple-day courses, we have you covered.

Any of our offerings can be customized and brought to your workplace. Contact us at 651-291-9150/800-444-9150 for more information!

Need Emergency Response HAZWOPER Training?

We have you covered. Join us at our Saint Paul classes or have us come to your location and conduct an on-site class for your employees!

October 24-26
Emergency Response HAZWOPER Training (24-hour)

October 26
Emergency Response HAZWOPER Refresher

For more information or to register, use the links above or contact Sheila at 651-228-7319/800-444-9150; sheila.thao@minnesotasafetycouncil.org. Both courses available for on-site training. Call for details.

Electrical Safety in the Workplace: NFPA 70E

October 23, November 8, December 11
Electrical Safety in the Workplace: NFPA 70E includes new 2017 NEC Code changes (effective July 1).

You'll learn:

- What a "qualified person" is as defined by OSHA
- What an arc flash/arc blast is
- Who must be trained
- Proper selection and use of PPE
- Clearance distances
- Proper lockout/tagout procedures

Qualified workers are required to attend a mandatory refresher
course every three years. This course meets the requirements for both qualified and non-qualified workers.

Also available for customized training at your facility. Contact Gina at gina.hoffman@minnesotasafetycouncil.org for details.

Southern Regional Safety Day

October 25
Courtyard Marriott, Mankato
$80/person

Join us to build your knowledge and skills, strengthen your safety program and re-charge! Event features vendors, morning and luncheon keynote speakers plus concurrent sessions on various topics. (Group discounts available!)

Aerial Lift Train-the-Trainer PLUS - October 10th

Why should I take this workshop?
- I’m tired of training with my old program.
- I want a quick and easy way to update my training.
- I want to hear what other companies are doing for their training.
- I need a refresher on the regulations.

Members - $250.00 / Nonmembers - $295.00
Additional Employees - $95.00

For more information, contact Steve at 651-228-7326 / 800-444-9150 ext. 326 or steve.rauh@minnesotasafetycouncil.org. Check out a listing of all of our Train-the-Trainer PLUS workshops here!

Once-A-Year Training Opportunity!

CHST Examination Preparation Workshop
January 24-26
This three-day workshop will prepare you for the Construction Safety and Health Technician examination leading to certification as a CHST. Emphasis on core competencies along with math knowledge and skills in each of the four domains:

- Safety and health program management
- Worksite auditing
- Training
- Professional responsibilities

Students should bring a scientific calculator to the class, which includes a math review of all mathematical concepts needed for the exam. The Board of Certified Safety Professionals (BCSP) allows the following calculators in the exam: Casio models FX-115, -250, -260 and -300, HP models 9, 10, 12 and 30, and TI-30, 34, 35, and 36. Includes extensive handouts plus 60-page workbook to use as study guide for the test.
Registration deadline: January 17, 2018!
For more information or to register, contact Sheila at 651-228-7319/800-444-9150; sheila.thao@minnesotasafetycouncil.org.
